What's the most cost effective way to get to and from the snow in New South Wales...?

Travelling with a group in a vehicle from Rent-a-Bus.

The Rent-a-Bus fleet

Our fleet for this season includes 8 seat Taragos, 12 seat Toyota buses, 22 seat Toyota Coasters and 28/33 seat Mercedes Benz buses. We can also supply 4WD Toyota Landcruisers* if you prefer.

Vehicles in the Rent-a-Bus fleet are equipped with air conditioning, power steering, radio cassette player, cloth seats and tinted windows. The 28/33 seater Mercedes Benz buses also come equipped with seat belts, luggage compartment and TV/video to make travelling as comfortable as possible.

Specially equipped for skiers

If you're heading to the snow, we'll ensure your vehicle comes with snow chains, free of charge. Unlike some companies, our vehicles can enter National Parks with no insurance worries. And speaking of National Parks, Rent-a-Bus Taragos are provided with free National Park entry stickers.

Discount ski hire

This year, we've also organised substantial savings in conjunction with 'The Snowy Mountain Skis' at 'The Shed' in Jindabyne. Mention you're travelling in a Rent-a-Bus vehicle when booking and show them your rental agreement on collection, and you'll qualify for a **20% discount on all ski hire and clothing.**

Prices include UNLIMITED KILOMETRES, Government Stamp Duty, FREE Early pick up and late return (i.e. pick up Friday 4.00 pm, return on Monday morning before 8.00am)

General Conditions: Age: drivers must be 21 years of age or over. Minimum of LR licence for 14/22 seater buses. MR required for 29/33 seat bus.

We also have 4WD's

*Toyota Landcruisers are available in limited numbers only. Please call for rates and availability. Packages subject to availability at time of booking.

It's essential to book early

It's always wise to plan the transport arrangements for your ski trip in advance. But this year, the anticipated pressure on rental vehicle supply caused by the Olympics makes it absolutely essential. If you have any queries, or wish to make a booking, please call us on 1800 818 816.

Rent-a-Bus. It's the only way to go to the snow!
